# About us

Making bespoke upholstery in Leicestershire, since 1983

## All of our Sofas are hand-made by us in Blaby, Leicestershire

We have a passion for creating bespoke upholstered furniture. Our philosophy is straightforward; to provide the finest quality furniture, offering you the ultimate in choice, construction and comfort.

All of our sofas, armchairs and stools are handmade by our craftsmen on site, ensuring the highest standards are attained. We can tailor these to your individual comfort specifications using only the finest quality materials.

In addition, we offer a rebuild and re-upholstery service to give your treasured furniture a new lease of life.

Having created bespoke furniture for the past 30 years, we like to think we know a thing or two about offering our customers choice, quality and value for money.

Please feel free to visit our showroom, design studio and workshops to see for yourself.

# Stools & Cushions made to Size

Making bespoke upholstery in Leicestershire, since 1983

We can create bespoke footstools and cushions just for you. Choose the size, shape and fabric you like. You could add personalised features like buttons, borders or contrast piped edges. We can make footstools to match your sofa, chairs or, alternatively, as a contrast piece to make a bold statement.

Let us know if you have other ideas or projects, such as window seats, storage footstools or ottomans. We would be delighted to quote you for these tailored pieces and offer you any advice for creating the right aesthetic scheme..

# Legs & options

Making bespoke upholstery in Leicestershire, since 1983

## Cushion Fillings

We offer a wide range of cushion fillings on most designs. As standard, most models will have a pocketed fibre back cushion which will keep their shape well. Other options are available eg duck feather, pure duck down mix. It's worth remembering that feather or fibre seats do require plumping up to help maintain their shape and will require regular maintenance. However, our Sofalux seat cushions, profiled and engineered, wrapped with Dacron are easy care, very low maintenance. All cushions should be turned weekly to give equal amount of wear on covers and interiors.

## Legs and Feet

Most models are available with a large choice of legs (removable for access) castors or gliders. Standard leg colours and also special colour matching service.

## Fabrics

Individually cut and pattern matched subject to fabric. All cushion cases are zipped.

## Will it Fit

Please ensure that the furniture will fit through all access points, we are not responsible if it fails to do so. If unsure, please state this fact on placement of your order.

## Reupholstery & Renovation Service

We can renovate your existing furniture which you may wish to co-ordinate with a new Bott Handmade item. Dining seats can be recovered and we can also replace existing sofa cushion interiors. We also make complete covers for Ercol furniture and recover Parker Knoll chairs.
